Mass requests: priest@catholic-ambervalley.uk

MASSES AT RIPLEY *Subject to permission being granted to reopen St Joseph's church for public worship, it is hoped that Mass can be celebrated again at **Ripley on Sunday morning at 9.00am from 27th September**, plus a Mass during the week on a Thursday morning from the beginning of October if there is sufficient take-up to make this viable*

MASSES AT DUFFIELD *It is hoped to secure permission to reopen St Margaret Clitherow's church for public worship by the end of September. Subject to there being a sufficient number of volunteers to act as stewards and cleaners, the possibility of provision for a Saturday evening Vigil Mass and a mid-week Mass for limited numbers **from the beginning of October** is under active consideration. *If you can offer your time to act as a steward/cleaner please let us know at your earliest opportunity. Contact: office@catholic-ambervalley.uk or 01773 822182**

As with all other public places allowed to be open at the present time to ensure all our churches are Covid-safe, places at Mass need to be booked in advance as detailed below

TO BOOK A PLACE AT MASS

- Bookings will be taken between Monday 9am and Thursday 9pm **of the week in advance**
- **Bookings can be made either by email to: office@catholic-ambervalley.uk or by ringing 01773 822182 and leaving a voicemail message**
- Whether booking by phone or by email you must:
 - Say who wishes to come, giving the name of each person
 - Indicate, if more than one, whether they can sit together
 - Give full contact details: these are required to be kept for three weeks after the Mass as part of the Government's track and trace system

Bookings are taken on a first come, first served basis – and only for the week in advance, not beyond.

WEARING FACE MASKS IN CHURCH On Friday 31st July, the Government announced that the wearing of face coverings was to be recommended in a number of indoor settings, including places of worship. This was subsequently **required by law** from Saturday 8th August.

STREAMED MASSES: Past Masses streamed from the Parish have been very popular and are still available for viewing: they may still be watched by those who missed them at the time, or by anyone who would like to **watch them again on our [Youtube channel](#)**. Our sincere thanks goes to all participants, and to the technical support team who have made this possible – Niels and Jannice Richthof and, in the early streamings, Marylyn Abbott-Howes.
